**SISCO Holding Strengthens Investor Relations in London Roadshow**

SISCO Holding, in collaboration with Arqaam Capital, successfully organized a three-day roadshow in November, held in London. This event brought together potential and current investors to discuss the company's strategic initiatives, highlight recent developments, and explore future collaboration opportunities. The roadshow underscored SISCO Holding's commitment to transparency and fostering effective communication with the investor community, marking yet another milestone in strengthening its market presence and investor relations.

RSGTI

November

**RSGTI Explores Investment Opportunities in Tunisia**

Red Sea Gateway Terminal International (RSGTI) Executive Chairman Aamer A. Alireza and Saudi Arabia's Minister of Investments Khalid Al-Falih met with the President of Tunisia, His Excellency Kais Saied, in Tunis to discuss opportunities for investment in Tunisia's maritime infrastructure sector. Further discussions were held with Tunisia's Ministry of Economy and Planning, and Ministry of Transport. These meetings reflect RSGTI's commitment to expanding its global footprint and exploring strategic collaborations that drive growth in the maritime industry.
